

RESOLUTION NO. 2020-26

Resolution authorizing and approving an amended Loan and Disbursement Agreement and providing for the issuance and securing the payment of \$3,809,000 Taxable Sewer Revenue Improvement and Refunding Bonds, Series 2020

WHEREAS, the City of Hawarden (the "City"), in Sioux County, State of Iowa, did heretofore establish a Municipal Sanitary Sewer System (the "Utility") in and for the City which has continuously supplied sanitary sewer service in and to the City and its inhabitants since its establishment; and

WHEREAS, the management and control of the Utility are vested in the City Council (the "Council"), and no board of trustees exists for this purpose; and

WHEREAS, pursuant to a prior resolution of the Council (the "Outstanding Bond Resolution"), the City has heretofore issued its \$3,510,000 Taxable Sewer Revenue Bond, SRF Series 2019, dated November 13, 2019 (the "Outstanding Bond") to the Iowa Finance Authority (the "Lender"), a portion of which remains outstanding; and

WHEREAS, pursuant to the Outstanding Bond Resolution, the City reserved the right to call the Outstanding Bond for early redemption, subject to the conditions set forth in the Outstanding Bond Resolution; and

WHEREAS, the City will undertake the construction of a certain water resource restoration project (the "Project"); and

WHEREAS, the Lender has agreed to provide financing for the Project by refinancing the Outstanding Bond, increasing its principal amount and decreasing the interest rate thereon; and

WHEREAS, pursuant to Section 384.24A of the Code of Iowa, the City has heretofore proposed to contract indebtedness and enter into a certain amended Sewer Revenue Loan and Disbursement Agreement and to borrow money thereunder in a principal amount not to exceed \$3,810,000, for the purpose of paying the cost, to that extent of (1) current refunding the Outstanding Bond, and (2) constructing the Project, and has published notice of the proposed action and has held a hearing thereon on May 27, 2020; and

WHEREAS, it is now necessary to authorize the issuance of Taxable Sewer Revenue Improvement and Refunding Bonds, Series 2020 (the "Bonds"), authorize the calling of the Outstanding Bond, and approve an amendment (the "Amendment") to the Sewer Revenue Loan and Disbursement Agreement between the City and the Lender, dated November 13, 2019 (the "Original Agreement");

NOW, THEREFORE, Be It Resolved by the City Council of the City of Hawarden, Iowa, as follows:

Section 1. The City Clerk, as Registrar and Paying Agent for the Outstanding Bond, is hereby authorized and directed to take all action necessary to call the Outstanding Bond for early redemption on June 19, 2020.

Section 2. The Lender shall provide for a loan (the "Loan") to the City in the amount of \$3,809,000, for the purposes as set forth in the preamble hereof. The terms of the Loan shall be as set forth herein and in the Original Agreement (the Original Agreement as amended by the Amendment shall hereinafter be referred to as the "Agreement"). The Original Agreement and the Amendment shall be in substantially the forms as have been placed on file with the City.

The Mayor and City Clerk are hereby authorized and directed to sign the Amendment on behalf of the City, and the Amendment is hereby approved.

Section 3. The Bonds are hereby authorized to be issued in evidence of the obligation of the City under the Agreement, in the aggregate principal amount of \$3,809,000, to be dated the date of delivery to or upon the direction of the Lender, and bearing interest from the date of each advancement made at the rate of 0.91% per annum pursuant to the Agreement, until payment thereof, as set forth in Exhibit A attached to the Agreement.

The Bonds, at the request of the Lender, shall be initially issued as a single Bond in the denomination of \$3,809,000 and numbered R-1.

The City Clerk is hereby designated as the Registrar and Paying Agent for the Bonds and may be hereinafter referred to as the "Registrar" or the "Paying Agent."

Payment of the principal of and interest on the Bonds and premium, if any, shall be payable at the office of the Paying Agent to the registered owners thereof appearing on the registration books of the City. All such payments, except full redemption, shall be made to the registered owners appearing on the registration books at the close of business on the fifteenth day of the month next preceding the payment date. Final payment of principal shall only be made upon surrender of the Bond or Bonds to the Paying Agent.

In addition to the payment of principal of and interest on the Bonds, the City also agrees to pay the Initiation Fee and the Servicing Fee (defined in the Agreement) in accordance with the terms of the Agreement.

The Bonds shall be executed on behalf of the City with the official manual or facsimile signature of the Mayor and attested with the official manual or facsimile signature of the City Clerk, and shall be fully registered bonds without interest coupons. The issuance of the Bonds and the amount of the Loan advanced thereunder shall be recorded in the office of the City Treasurer, and the certificate on the back of each Bond shall be executed with the official manual or facsimile signature of the City Treasurer. In case any officer whose signature or the facsimile of whose signature appears on the Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

The Bonds shall be fully registered as to principal and interest in the names of the owners on the registration books of the City kept by the Registrar. Each Bond shall be transferable without cost to the registered owner thereof only upon the registration books of the City upon presentation to the Registrar, together with either a written instrument of transfer satisfactory to the Registrar or the assignment form thereon completed and duly executed by the registered owner or the duly authorized attorney for such registered owner.

The record and identity of the owners of the Bonds shall be kept confidential as provided by Section 22.7 of the Code of Iowa.

The Bonds are subject to optional redemption by the City at a price of par plus accrued interest (i) on any date with the prior written consent of the Lender, or (ii) in the event that all or substantially all of the Project is damaged or destroyed. Any optional redemption of the Bonds by the City may be made from any funds regardless of source, in whole or from time to time in part, in inverse order of maturity upon not less than thirty (30) days' notice of redemption by facsimile, e-mail, certified or registered mail to the Lender (or any other registered owner of the Bonds). The Bonds are also subject to mandatory redemption as set forth in Section 5 of the Original Agreement.

All of the Bonds and the interest thereon, together with any additional obligations as may be hereafter issued and outstanding from time to time ranking on a parity therewith under the conditions set forth herein (which additional obligations are hereinafter sometimes referred to as "Parity Obligations"), shall be payable solely from the Net Revenues of the Utility and the Sinking Fund hereinafter referred to, both of which are hereby pledged to the payment of the Bonds. The Bonds shall be a valid claim of the owners thereof only against said Net Revenues and Sinking Fund. None of the Bonds shall be a general obligation of the City, nor payable in any manner by taxation, and under no circumstances shall the City or the Utility be in any manner liable by reason of the failure of the Net Revenues of the Utility to be sufficient for the payment in whole or in part of the Bonds and the interest thereon.

Section 4. The Bonds shall be executed as herein provided as soon after the adoption of this resolution as may be possible and thereupon they shall be delivered to the Registrar for registration and delivery to the Lender, upon receipt of the loan proceeds (the "Loan Proceeds"), and all action heretofore taken in connection with the Agreement is hereby ratified and confirmed in all respects.

Section 5. The Bonds shall be in substantially the following form:

Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

The City Clerk shall act as Registrar and Paying Agent and may be hereinafter referred to as the "Registrar" or the "Paying Agent."

Payment of the principal of and interest on this Bond and premium, if any, shall be payable at the office of the Paying Agent to the registered owners thereof appearing on the registration books of the City at the addresses shown on such registration books. All such payments, except full redemption, shall be made to the registered owners appearing on the registration books at the close of business on the fifteenth day of the month next preceding the payment date. Final payment of principal shall only be made upon surrender of this Bond to the Paying Agent.

This Bond is one of a series of bonds (the "Bonds") issued by the City to evidence its obligation under a certain Loan and Disbursement Agreement, as amended, dated the date hereof (the "Agreement") entered into by the City for the purpose of providing funds to pay a portion of

the cost of (1) current refunding the City's outstanding Taxable Sewer Revenue Bond, SRF Series 2019, dated November 13, 2019; and (2) constructing a certain water resource restoration project (the "Project").

The Bonds are issued pursuant to and in strict compliance with the provisions of Sections 384.24A and 384.83 of the Code of Iowa, 2019, and all other laws amendatory thereof and supplemental thereto, and in conformity with a resolution of the City Council authorizing and approving the Agreement and providing for the issuance and securing the payment of the Bonds (the "Resolution"), and reference is hereby made to the Resolution and the Agreement for a more complete statement as to the source of payment of the Bonds and the rights of the owners of the Bonds.

The Bonds shall be subject to optional redemption by the City at a price of par plus accrued interest (i) on any date with the prior written consent of the Iowa Finance Authority, or (ii) in the event that all or substantially all of the Project is damaged or destroyed. Any optional redemption of the Bonds by the City may be made from any funds regardless of source, in whole or from time to time in part, in inverse order of maturity upon not less than thirty (30) days' notice of redemption by e-mail, facsimile, certified or registered mail to the Iowa Finance Authority (or any other registered owner of the Bonds). The Bonds are also subject to mandatory redemption as set forth in Section 5 of the Agreement.

The Bonds are not general obligations of the City but, together with any additional obligations as may be hereafter issued and outstanding from time to time ranking on a parity therewith under the conditions set forth in the Resolution, are payable solely and only out of the future Net Revenues (as defined in the Resolution) of the Utility of the City, a sufficient portion of which has been ordered set aside and pledged for that purpose. This Bond is not payable in any manner by taxation, and under no circumstances shall the City be in any manner liable by reason of the failure of the said Net Revenues to be sufficient for the payment of this Bond and the interest thereon.

This Bond is fully negotiable but shall be fully registered as to both principal and interest in the name of the owner on the books of the City in the office of the Registrar, after which no transfer shall be valid unless made on said books and then only upon presentation of this Bond to the Registrar, together with either a written instrument of transfer satisfactory to the Registrar or the assignment form hereon completed and duly executed by the registered owner or the duly authorized attorney for such registered owner.

The City, the Registrar and the Paying Agent may deem and treat the registered owner hereof as the absolute owner for the purpose of receiving payment of or on account of principal hereof, premium, if any, and interest due hereon and for all other purposes, and the City, the Registrar and the Paying Agent shall not be affected by any notice to the contrary.

And It Is Hereby Certified, Recited and Declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of the Bonds have existed, have happened and have been performed in due time, form and manner, as required by law, and that the issuance of the Bonds does not exceed or violate any constitutional or statutory limitation or provision.

Section 6. The Loan Proceeds shall be held by the Lender and disbursed for costs of (1) current refunding the Outstanding Bond; and (2) constructing the Project. The City shall keep a detailed and segregated accounting of the expenditure of the Loan Proceeds.

Section 7. So long as any of the Bonds or any Parity Obligations are outstanding, the City shall continue to maintain the Utility in good condition, and the Utility shall continue to be operated in an efficient manner and at a reasonable cost as a revenue producing undertaking. The City shall establish, impose, adjust and provide for the collection of rates to be charged to customers of the Utility, including the City, to produce gross revenues (hereinafter sometimes referred to as the "Gross Revenues") at least sufficient to pay the expenses of operation and maintenance of the Utility, which shall include salaries, wages, cost of maintenance and operation, materials, supplies, insurance and all other items normally included under recognized accounting practices (but does not include allowances for depreciation in the valuation of physical property) (which such expenses are hereinafter sometimes referred to as the "Operating Expenses") and to leave a balance of net revenues (herein referred to as the "Net Revenues") equal to at least 110% of the principal of and interest on all of the Bonds and any other Parity Obligations due in such fiscal year, as the same become due.

Section 8. From and after the issuance of the Bonds, the Gross Revenues of the Utility shall continue to be set aside into the City's Sewer Revenue Fund ("Sewer Revenue Fund") created under the Outstanding Bond Resolution. The Sewer Revenue Fund shall be used in maintaining and operating the Utility, and after payment of the Operating Expenses shall, to the extent provided in this resolution and the Outstanding Bond Resolution, be used to pay the principal of and interest on the Bonds and any Parity Obligations, and to create and maintain the several separate funds hereinafter described.

Section 9. The provisions in and by the Outstanding Bond Resolution, whereby there has been created and is to be maintained a Sewer Revenue Bond Sinking Fund (herein referred to as the "Sinking Fund"), and for the payment into said fund from the Net Revenues of the Utility such portion thereof as will be sufficient to pay the interest on and principal of the Outstanding Bond, are all hereby ratified and confirmed, and all such provisions shall inure and constitute the security for the payment of the interest on and principal of the Bonds hereby authorized as may be outstanding from time to time; provided, however that on the first day of each month of each year, the minimum amount to be set aside and paid into the Sinking Fund shall be not less than as follows:

Commencing on July 1, 2020, and continuing to and including November 1, 2020, an amount equal to 1/5th of the installment of interest coming due on December 1, 2020, and thereafter, commencing on December 1, 2020, and continuing to final maturity, an amount equal to 1/6th of the installment of interest coming due on the next succeeding interest payment date on the then outstanding Bonds. In addition, commencing on July 1, 2020 and continuing to and including May 1, 2021, an amount equal to 1/11th of the installment of principal coming due on June 1, 2021, and thereafter, commencing on June 1, 2021, and continuing to final maturity, an amount equal to 1/12th of the installment of principal coming due on

such Bonds on the next succeeding principal payment date until the full amount of such installment is on deposit in the Sinking Fund.

Money in the Sinking Fund shall be used solely for the purpose of paying principal of and interest on the Bonds and any Parity Obligations as the same shall become due and payable. Whenever Parity Obligations are issued under the conditions and restrictions hereinafter set forth, provisions shall be made for additional payments to be made into the Sinking Fund for the purpose of paying the interest on and principal of such Parity Obligations.

If at any time there should be a failure to pay into the Sinking Fund the full amount above stipulated, then an amount equivalent to the deficiency shall be paid into the Sinking Fund from the Net Revenues of the Utility as soon as available, and the same shall be in addition to the amount otherwise required to be so set apart and paid into the Sinking Fund.

No further payments need be made into the Sinking Fund when and so long as the amount therein is sufficient to retire all of the Bonds and any Parity Obligations then outstanding which are payable from the Sinking Fund and to pay all interest to become due thereon prior to such retirement, or if provision for such payment has been made.

All of such payments required to be made into the Sinking Fund shall be made in equal monthly installments on the first day of each month, except that when the first day of any month shall be a Sunday or legal holiday, then such payments shall be made on the next succeeding secular day.

Section 10. The provisions in and by the Outstanding Bond Resolution whereby there has been created and is to be maintained a special fund to be known and designated as the Surplus Fund into which there shall be set apart and paid all of the Net Revenues remaining after first paying the Operating Expenses and making the required payments into the Sinking Fund are all hereby ratified and confirmed. All money credited to the Surplus Fund shall be transferred and credited to the Sinking Fund whenever necessary to prevent or remedy a default in the payment of the principal of or interest on the Bonds and any Parity Obligations.

As long as the Sinking Fund has the full amounts required to be deposited therein by this resolution, any balance in the Surplus Fund may be expended by the City in such manner as the Council, or such other duly constituted body as may then be charged with the operation of the Utility, may from time to time direct.

Section 11. All money held in any fund or account created or to be maintained under the terms of this resolution shall be deposited in lawful depositories of the City or invested in accordance with Chapters 12B and 12C of the Code of Iowa and continuously held and secured as provided by the laws of the State of Iowa relating to the depositing, securing, holding and investing of public funds. All interest received by the City as a result of investments under this section shall be considered to constitute Gross Revenues of the Utility and shall be deposited in or transferred to the Sewer Revenue Fund and used solely and only for the purposes specified herein for such funds.

Section 12. The City hereby covenants and agrees with the owner or owners of the Bonds and any Parity Obligations, or any of them, that from time to time may be outstanding, that it will faithfully and punctually perform all duties with reference to the Utility required and provided by the Constitution and laws of the State of Iowa, that it will segregate the Gross Revenues of the Utility and make application thereof in accordance with the provisions of this resolution and that it will not sell, lease or in any manner dispose of the Utility or any part thereof, including any and all extensions and additions that may be made thereto, until all of the Bonds and any Parity Obligations shall have been paid in full, both principal and interest, or unless and until provisions shall have been made for the payment of the Bonds and any Parity Obligations and interest thereon in full; provided, however, that the City may dispose of any property which in the judgment of the Council, or such duly constituted body as may then be charged with the operation of the Utility, is no longer useful or profitable in the operation of the Utility nor essential to the continued operation thereof and when the sale thereof will not operate to reduce the revenues to be derived from the operation of the Utility.

Section 13. Upon a breach or default of a term of the Bonds or any Parity Obligations and this resolution, a proceeding may be brought in law or in equity by suit, action or mandamus to enforce and compel performance of the duties required under the terms of this resolution and Division V of Chapter 384 of the Code of Iowa or an action may be brought to obtain the appointment of a receiver to take possession of and operate the Utility and to perform the duties required by this resolution and Division V of Chapter 384 of the Code of Iowa.

Section 14. The Bonds or any Parity Obligations shall not be entitled to priority or preference one over the other in the application of the Net Revenues of the Utility regardless of the time or times of the issuance of such Bonds or Parity Obligations, it being the intention of the City that there shall be no priority among the Bonds or any Parity Obligations, regardless of the fact that they may have been actually issued and delivered at different times. The City hereby reserves the right and privilege of issuing Parity Obligations.

Section 15. The City agrees that so long as the Bonds or any Parity Obligations remain outstanding, it will maintain insurance for the benefit of the owners of the Bonds and any Parity Obligations on the insurable portions of the Utility of a kind and in an amount which usually would be carried by private companies or municipalities engaged in a similar type of business. The proceeds of any insurance, except public liability insurance, shall be used to repair or replace the part or parts of the Utility damaged or destroyed. The City will keep proper books of record and account, separate from all other records and accounts, showing the complete and correct entries of all transactions relating to the Utility, and the owners of the Bonds or any Parity Obligations shall have the right at all reasonable times to inspect the Utility and all records, accounts and data of the City relating thereto.

Section 16. The provisions of this resolution shall constitute a contract between the City and the owners of the Bonds and any Parity Obligations as may from time to time be outstanding, and after the issuance of the Bonds, no change, variation or alteration of any kind of the provisions of this resolution shall be made which will adversely affect the owners of the Bonds or any Parity Obligations until all of the Bonds and any Parity Obligations and the interest thereon shall have been paid in full, except as hereinafter provided.

The owners of a majority in principal amount of the Bonds and any Parity Obligations at any time outstanding (not including in any case any obligations which may then be held or owned by or for the account of the City, but including such obligations as may be issued for the purpose of refunding any of the Bonds or Parity Obligations if such obligations shall not then be owned by the City) shall have the right from time to time to consent to and approve the adoption by the City of a resolution or resolutions modifying or amending any of the terms or provisions contained in this resolution; provided, however, that this resolution may not be so modified or amended in such manner as to:

(a) Make any change in the maturity or redemption terms of the Bonds or Parity Obligations.

(b) Make any change in the rate of interest borne by any of the Bonds or Parity Obligations.

(c) Reduce the amount of the principal payable on any Bonds or Parity Obligations.

(d) Modify the terms of payment of principal of or interest on the Bonds or Parity Obligations, or any of them, or impose any conditions with respect to such payment.

(e) Affect the rights of the owners of less than all of the Bonds or Parity Obligations then outstanding.

(f) Reduce the percentage of the principal amount of the Bonds or Parity Obligations, the consent of the owners of which shall be required to effect a further modification.

Whenever the City shall propose to amend or modify this resolution under the provisions of this section, it shall cause notice of the proposed amendment to be (1) filed with the Lender and (2) mailed by certified mail to each registered owner of any Bond or Parity Obligation as shown by the records of the Registrar. Such notice shall set forth the nature of the proposed amendment and shall state that a copy of the proposed amendatory resolution is on file in the office of the City Clerk.

Whenever at any time within one year from the date of the mailing of said notice, there shall be filed with the City Clerk an instrument or instruments executed by the owners of at least a majority in aggregate principal amount of the Bonds and any Parity Obligations outstanding at the time of the adoption of such amendatory resolution specifically consenting to the adoption thereof as herein provided, no owner of any Bonds or Parity Obligations shall have any right or interest to object to the adoption of such amendatory resolution or to object to any of the terms or provisions therein contained or to the operation thereof or to enjoin or restrain the City from taking any action pursuant to the provisions thereof.

Any consent given by the owners of a Bond or Parity Obligation pursuant to the provisions of this section shall be irrevocable for a period of six (6) months from the date of such

consent and shall be conclusive and binding upon all future owners of the same Bond or Parity Obligation during such period. Such consent may be revoked at any time after six (6) months from the date of such consent by the owner who gave such consent or by a successor in title, but such revocation shall not be effective if the owners of a majority in aggregate principal amount of the Bonds and Parity Obligations outstanding as in this section defined shall have, prior to the attempted revocation, consented to and approved the amendatory resolution referred to in such revocation.

The fact and date of the execution of any instrument under the provisions of this section may be proved by the certificate of any officer in any jurisdiction, who by the laws thereof is authorized to take acknowledgments of deeds within such jurisdiction, that the persons signing such instrument acknowledged before such officer the execution thereof, or may be proved by an affidavit of a witness to such execution sworn to before such officer.

Section 17. If any section, paragraph, clause or provision of this resolution shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this resolution.

Section 18. All resolutions and orders or parts thereof in conflict with the provisions of this resolution are, to the extent of such conflict, hereby repealed.

Section 19. This resolution shall be in full force and effect immediately upon its adoption and approval, as provided by law.
