This rebate offer is good for purchase of new ENERGY STAR certified product (s). Restrictions apply, as noted. This offer is available to customers of participating municipal electric utilities listed on the back of this form. Equipment must be installed in a residence served by a participating electric utility. **Exterior installations do not qualify.** Equipment must not be used to qualify and receive payment for energy savings from any wholesale electricity market.

To receive rebate, mail completed application, along with your dated sales receipt, to your participating municipal utility, or email to [rebate@brightenergysolutions.com](mailto:rebate@brightenergysolutions.com). **Applications must be postmarked within 90 days of purchase.** Incomplete information will delay or disqualify your rebate. If you do not receive your rebate within eight weeks, please call your participating utility. Utility may conduct an inspection to verify installed equipment.

## Getting a rebate is easy!

Submit completed application and a copy of your dated sales receipt to your electric utility **within 90 days of purchase** by:

1. Clicking Email button at top of page (attach receipts, please); or,
2. Printing form and mailing to utility address on Page 2.

Mail the completed application and sales receipt to your utility. Or email the documents to: [rebate@brightenergysolutions.com](mailto:rebate@brightenergysolutions.com)
